THOMAS HARRIS.

Three thousand years or more ago  
King Solomon, both sage and hard.  
Observed a fact he noted thus:  
"The way of the transgressor is hard."

The question why is oft discussed,  
But this solution seems complete:  
The sinner's way is hard because  
It's trodden by so many feet!

—SHERIDAN.

## THEY GOT OFF EASY

**The Lads Who Mutilated Colonel E. A. Robinson's Tulip Beds**

The young scapegraces who mutilated the beautiful flower beds on Colonel E. A. Robinson's lawn in East Second street a few nights ago were arraigned before Judge Whitaker yesterday in the Police Court.

The moving spirits in the despoliation were Clarence Nicholson, Harry Dean and Lee Wise, with about fifteen others more or less implicated. Their ages ranged from 9 to 15 years. It was the first appearance of four or five in Court, the rest having been on the stool of repentance before.

The Judge, as well as the City Attorney, calked and counseled the young offenders in a fatherly way, but evidently it was like pouring water on a duck's back—very little of the good advice held fast.

The three named above were fined \$10 each, and collection suspended on promise of good behavior. The Judge cautioned them that if brought before him again he would enforce the original fine with a Jail sentence added.

## EMERY WHEEL BURST

**Narrow Escape of Employee at the Big Hall Plow Works**

Yesterday shortly after the noon hour an accident occurred at Hall's Eagle Plow Works that came within a hair's breadth of snuffing out the life of an employe.

An important factor in the construction of plows is an emery wheel, used generally for polishing shares and points of plows.

In this instance the wheel was a very large one, being 24x20 inches and weighing over one hundred pounds.

The machine was in charge of Mr. Henry Childs, and fortunately for him at the instant the wheel bursted he was engaged in oiling a part of its mechanism.

Had he been in his regular position he would have been hurled into eternity in fragments.

As it was he was struck in the face by a piece of board that served as a shield in preventing particles flying in the operator's face, the force of the blow knocking him senseless to the floor.

One piece tore a large hole in a brick wall, another carried away a part of a window frame.

That none were killed by the flying missile is a miracle, and Mr. Childs can congratulate himself that he escaped as well as he did.

## ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ailment and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it.

Henry Bertram, shoemaker, of 27 East Third St., Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I had suffered for some time with backache and a tired feeling and heaving aching in and about the kidneys. Being a shoemaker I thought my trouble was caused by my work, for every time I took a cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that in my opinion there is no remedy for kidney disorders equal to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

This is the season to buy good Monumental work cheap. See MURRAY & THOMAS.

The names of Attorneys Thomas D. Slatery of this city and M. J. Hennessey of Augusta have been presented to Governor Beckham for appointment as Commonwealth's Attorney in this Judicial District, to fill the vacancy occasioned by the death of Edward Daum. The office will be filled by election in November next. Representative Virgil McKnight has been at Frankfort urging the appointment of Mr. Slatery.

SOME smart Aleck said there would be thirteen snows the past winter, and there were people foolish enough to believe it. There were at least forty, not counting the six that fell Sunday.

AN, there's life in the old land yet! The cheering news comes that work has begun on the new railroad between Carrollton and Worthville—about 15 miles. Thanks for short distances; longer ones in proportion.

IN deciding a divorce suit at Louisville the Judge advised against hasty marriages, and said it was a mistake for a young couple to live with the parents of either. This is another cruel thrust at the devoted mother-in-law, who forgets that she, too, once had a meddling mother-of-her-hubby.

"GENERAL" JACOB S. CONEY, who led an army of tramps to Washington during "them good old Cleveland prosperity times," appears to have been able to Chadwick a number of persons. He has just been discharged in bankruptcy proceedings, with debts of \$285,000 and assets of \$0,000,000,000,00, &c.

Tennessee is now attracting more interest as an oil field than for months past. A good strike in Dixon county, which brought in a fifteen-barrel well, of a quality said to be the best yet produced in either Tennessee or Kentucky, is responsible for the renewed activity.

SOME high speeds are achieved on the continent. The Northern of France Railroad has 11 trains which are timed to do 57 miles or over per hour, platform to platform. The greatest speed ever recorded was made last year by an electric train on the Berlin and Zossen Military Railway (147 miles long,) when a speed of 131 miles per hour was attained.

JAPANESE Navy Department has proclaimed defense zones surrounding the Pescadore, the islands of Okinawa and the islands of Ushima and Emi. There is little news of the whereabouts of Admiral Kojima's squadron, but it was sighted in Kamranh Bay on Friday noon by a passing steamer. This bay is about 200 miles Northeast of Saigon. IF people will indulge in fashionable fads they must suffer the penalty. In Vienna a judgment for \$1,600 has been rendered against a California man on a charge of appendicitis.

THE tobacco growers of Webster county have resolved in favor of the prosecution of all combines for the purpose of controlling the price of tobacco. This, of course, means the other fellow's combine.

MRS. CASSIE L. CHADWICK a few days ago assisted the officers in sorting over \$10,000 worth of lace handkerchiefs, collars and such which she had Chadwicked in Europe. If the old gal could get permission to show these around the country at 50 cents a look, she might retrieve at least a portion of her lost fortunes.

THE pecuniary losses by the German coal strike are said to be \$22,500,000. Nearly \$5,000,000 was lost in wages alone; coal owners lost \$8,000,000; railways, \$2,500,000 and consumers \$5,000,000. The only fellows who came out ahead were the Walking Delegates, who wore diamonds and smoked 20-centers while the strikers wore rags and couldn't afford to smoke at all.

IN an official letter to the Civil Service Commission, June 13th, 1902, President ROOSEVELT said—

"In consideration of fixity of tenure and of appointment, in no way due to political considerations, the man in the classified service, while retaining his right to vote as he pleases and to express privately his opinion on all political subjects, should not take any active part in political management or in political campaigns for precisely the same reasons that a Judge, an army officer, a regular soldier or a policeman is barred from taking such active part."

How nice that sounds—and how empty it is. Why, a campaign couldn't be run in Kentucky without the Judges were on the stump and the Police at the polls.

THE greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive. But why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweat? Free expectoration in the morning is made certain by taking German Syrup.

WE know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders.

MISS MARY STONE, Milwaukee, Wis.

Do You Need Bracing Up?

No other tonic in the world is like Paine's Celery Compound; no other remedy takes so simple and scientific a way to perform its wonders. Paine's Celery Compound acts directly upon the nerves, feeding them Nature's nerve food—celery—filling them with new vitality. Through the nerves it acts upon the blood, purifying it, strengthening it, making it pure and strong and red and healthy. No other remedy purifies so gently and so quickly. Paine's Celery Compound is the one known prescription that purifies without purging or weakening the system in any way. If you feel "run down," "used up," nervous, tired,—in other words, if you need bracing up, try Paine's Celery Compound. Learn the full history and delight of being always at your best, able to live your life for all that is in it. Feel the exultant thrill of pure, rich blood and abundant Nerve Force, made by Paine's Celery Compound. Paine's Celery Compound gives real Nerve Force, instead of the false activity imparted by mere stimulants. It is the best and quickest nerve tonic. Tired, weak-nerved, thin-blooded, unhappy men and women get quick, sure, hearty health from this celebrated Nerve Vitalizer and Tonic. It drives away lassitude, gives courage and strength. It makes a rich increase in blood supply, and makes the whole system thrill with hearty health. Miss Mary Stone, Secretary of the Young People's Christian Temperance Society of Milwaukee, tells her experience after feeling "run down" for months. We have used Paine's Celery Compound in our family for a number of years and a few months ago when I felt so worn out and run down that I thought I would have to give up my work and take a vacation earlier, mother suggested that I try a couple of bottles of Celery Compound. A few doses made me feel quite different, my appetite increased, I began to sleep well at night and felt rested in the morning. In a very short time I felt like a different being and am glad to say that your medicine made it possible for me to continue my work uninterrupted. Yours very truly,—Miss Mary Stone, 2621 Lisbon Ave., Milwaukee, Wis. Secretary Young People's Christian Temperance Society.

### MOUNT GILEAD.

Mrs. J. N. Calvert's sale passed off satisfactorily last Saturday.

Mr. Charles Calvert from Orangeburg is visiting Mr. H. C. Stone's family.

Miss Annie Arnold has nearly recovered from a lingering illness throughout the winter.

Mrs. Wood Hramel at Lexington is reported somewhat better, after a serious spell from an operation performed.

Miss Lizzie Clay Stone is expected to teach a short term of school after Mr. Tom Pollett's successful winter term.

The prospect for fruit has been very flattering until this present wintry spell that causes a serious doubt as to the outcome.

The farmers are getting along nicely with their preparation for about an average crop of corn and tobacco, with a fine prospect for wheat and young grass and tobacco plants.

The entertainment given by the school at Mr. Martin's barn last Saturday night was very pleasing to the audience, so much so that it is insisted on by the attendants to repeat it in May, which, it is likely will be done.

The Hon. A. C. Davidson of Nemours, W. Va., has purchased of William P. Hume his farm of 280 acres near Paris at \$90 an acre.

James Curry of Newport has been elected Moderator of Ebenezer Presbytery—the first layman ever chosen to that important position.

Begin to look around for the farm you expect to buy this year. Come to me and let me tell you about some good ones.

JOHN DUFFY.

J. W. Showalter of Georgetown has declined an invitation from the Manhattan Club of New York to participate in a cable chess match between Great Britain and the United States during the present month. He is considering an offer to take part in an international match at Ostend, Belgium, in May. Showalter has twice held the American chess championship.

The Revenue and Taxation Committee of the State Legislature, of which Senator William H. Cox of this city is a member, will hold a meeting at Louisville tomorrow for the purpose of discussing and getting information regarding the existing tax law. It has been proposed to place taxation in the state on a new basis and the committee will make a thorough investigation.

Friends of Rev. Dr. E. L. Powell of Louisville are arranging for a banquet in his honor on May 8th. That date will be Dr. Powell's birthday anniversary, marking his forty-seventh year. His eighteenth wedding anniversary will also fall during the week of May 8th, and the eighteenth anniversary of his connection with the First Christian Church also comes at the same time. These three anniversaries are some of the reasons for the banquet, but the main reason is a general desire to pay some tribute to the work that has been done and is now being done in Louisville by Dr. Powell.

## BAD BLOOD

I tried your Cascarets and great was my joy when the pimples disappeared after a bottle's steady use. I have recommended them to all my friends and quite a few have found relief."

## HOLY WEEK

The Forty-Day Fast of Lent Closes on Holy Saturday

This is Holy Week and is being observed in the Roman Catholic, Episcopal and Lutheran Churches. It commemorates the passion and death of Christ on Calvary. The services, particularly in the Catholic Church, are more solemn and more multiplied in this week than any other during the whole year.

Holy Week began with Palm Sunday. In the Catholic Churches palms were blessed and distributed among the members of the congregations. These palms are carried in procession in the Church in commemoration of Christ's entry into Jerusalem preceding His crucifixion.

During the entire week some solemn service is held either in the morning or evening.

Tomorrow, which is called Maundy Thursday, the Church commemorates the day of the last supper on the Institution of the Sacrament of the Eucharist, and in honor of that event lays aside mourning for the time being, but after the Mass mourning is put on again.

On Good Friday the Churches are draped in black, no bells are rung and the services are the most solemn of the year in commemoration of the crucifixion of Christ.

On Holy Saturday in the Catholic Churches the ceremonies consist of the blessing of the paschal candle, which is used at Easter and
